

HLTAID003 – Provide first aid

Learner Pre-Course Information

Cost	<p>\$95 – includes online activities and classroom training \$120 – includes first aid kit, manual, CPR shield, online activities and classroom training (first aid manual may be posted prior to classroom training if required).</p>
About this unit of competency	<p>Description of course: This unit of competency describes the skills and knowledge required to provide a first aid response to a casualty. The unit applies to all workers who may be required to provide a first aid response in a range of situations, include community and workplace settings.</p> <p>Applicable Industries:</p> <ul style="list-style-type: none"> • Emergency responders • Lifesaving • Childcare • Education • Medical professionals • Construction • Many more
Training Program	<p>This course is delivered as a one day face-to-face training session with pre-study.</p> <p>We offer weekly public attendance courses at our Sydney CBD training centre on George St.</p> <p><i>If your organisation is interested in a private / in-house booking to have this course delivered to a group of staff, please contact our head office to discuss booking options. The delivery can be programmed to fit in with your staff and company schedule, at your venue or ours.</i></p>
Assessment requirements	<p>Physical Requirements: It is important to note that this course requires a level of physical ability to complete practical assessments. All students are required to perform 2 minutes of CPR on an adult manikin and baby manikin on the floor. If your health or fitness will not allow you to demonstrate this, you will not be awarded a nationally accredited certificate for HLTAID003 Provide First Aid. We can however issue a non accredited certificate of attendance for First Aid. Students are advised to check if this option meets their workplace / industry requirements before attending the training.</p> <p>Language Skills: All students must be able to demonstrate an accurate verbal report which would be given to emergency services and workplace supervisor.</p>
Payment options	<p>We offer the follow payment options to students our public courses:</p> <ul style="list-style-type: none"> • Learners can pay by credit card (AMEX – 3% surcharge) online or contact the Training Aid Australia office on 02 9011 7911 • Payment can be made by EFT <p>In order to secure your seat in the course, payment must be made at the time of enrolment.</p>
Language, Literacy & Numeracy requirements	<p>This course combines plain English, videos, photos, and questioning to ensure all learners are able to have the best possible chance at comprehending the required knowledge and developing first aid skills that will be needed in an emergency. If you believe you will need adjustments on the day of your training due to your Language, Literacy or Numeracy skills, please let the staff at Training Aid Australia know by checking the box on your enrolment form, or call our office at 02 9011 7911 to discuss your training needs.</p>

Enrolment with Training Aid Australia	Clients can enrol into this course through Training Aid Australia website or by phone (02) 9011 7911. Once enrolled into this course, learners need to provide photo ID on the day
Delivery and Assessments	<p>This course is made up of two components:</p> <ol style="list-style-type: none"> 1) Pre-study (approx. 5 hours) 2) Face-to-face training (approx. 8 hours) <p><u>PRESTUDY:</u> Full instructions available in the student learning portal.</p> <ul style="list-style-type: none"> • Online first aid manuals • Online first aid demonstration videos • Online workbooks (multiple choice quizzes) • Student declaration - must be completed once pre-study is finished <p><u>FACE-TO-FACE:</u> Learners will be assessed on the following topic areas</p> <p>Skills:</p> <ul style="list-style-type: none"> • Safe manual handling • Identify hazards • Perform CPR (2 minutes each on an infant and adult manikin) • Unpack and use an AED • Place a casualty in the recovery position • Complete an incident report log • Perform a secondary examination • Apply first aid – bandaging, slings, wound care, management of medical/trauma emergencies • Provide an accurate verbal report of the incident <p>Knowledge topics:</p> <ul style="list-style-type: none"> • Regulations/codes of practice • Safe work practice • Legal considerations in first aid • Basic anatomy and physiology • Considerations when providing CPR • Chain of survival • Correct use of the AED • Physiology relating to response/consciousness • How to recognise signs and symptoms of common illness and injury • How to treat common illness and injury
