

HLTAID007 – Provide advanced resuscitation

Learner Pre-Course Information

Cost	\$140
About this unit of competency	<p>Description of course: This unit describes the skills and knowledge required to use specialised equipment in the provision of resuscitation in line with the Australian Resuscitation Council (ARC) guidelines. This unit applies to workers who may be required to use specialised equipment to provide resuscitation in a range of complex situations, include community and workplace settings.</p> <p>Applicable Industries:</p> <ul style="list-style-type: none"> • Emergency responders • Lifesaving • Diving operations • Medical professionals • Many more
Training Program	<p>This course is delivered as a 4 hour face-to-face training session with pre-study.</p> <p>We offer public attendance courses at our Sydney CBD training centre on George St.</p> <p><i>If your organisation is interested in a private / in-house booking to have this course delivered to a group of staff, please contact our head office to discuss booking options. The delivery can be programmed to fit in with your staff and company schedule, at your venue or ours.</i></p>
Assessment requirements	<p>Physical Requirements: It is important to note that this course requires a level of physical ability to complete practical assessments. All students are required to perform 2 minutes of CPR on an adult manikin and baby manikin on the floor. In addition to this, all students must perform 2 minutes of bag-valve-mask resuscitation and 2 minutes of compressions only resuscitation. If your health or fitness will not allow you to demonstrate this, you will not be awarded a nationally accredited certificate for HLTAID007 Provide Advanced Resuscitation. We can however issue a non accredited certificate of attendance for Advanced Resuscitation. Students are advised to check if this option meets their workplace / industry requirements before attending the training.</p> <p>Foundation Skills: Oral communication – in order to make an accurate verbal report to supervisor and emergency response services Written communication – in order to complete a written incident report in line with organisational policies</p>
Payment options	<p>We offer the follow payment options to students our public courses:</p> <ul style="list-style-type: none"> • Learners can pay by credit card (AMEX – 3% surcharge) online or contact the Training Aid Australia office on 02 9011 7911 • Payment can be made by EFT <p>In order to secure your seat in the course, payment must be made at the time of enrolment.</p>
Language, Literacy & Numeracy requirements	<p>This course combines plain English, videos, photos, and questioning to ensure all learners are able to have the best possible chance at comprehending the required knowledge and developing first aid skills that will be needed in an emergency. If you believe you will need adjustments on the day of your training due to your Language, Literacy or Numeracy skills, please let the staff at Training Aid Australia know by checking the box on your enrolment form, or call our office at 02 9011 7911 to discuss your training needs.</p>

Enrolment with Training Aid Australia	Clients can enrol into this course through Training Aid Australia website or by phone (02) 9011 7911. Once enrolled into this course, learners need to provide photo ID on the day
